

WPGA Play Days

WPGA Play Days allow all Association members and friends to experience and explore WPGA Member Clubs in a relaxed, enjoyable, and non-competitive environment. WPGA Play Days offer members the opportunity to bring a group of players, large or small, or to come individually, and meet other WPGA Members. Our goal is to provide members of all skill levels the opportunity to enjoy a round of golf at another club that they may not typically have access.

This is a great opportunity to entertain clients or get your regular group together to play a quality golf course at a great price.

Players must register online. An account will be needed to register. Once registered in a WPGA Play Day, players will select a tee time by contacting the host club golf shop **no sooner than two weeks in advance**. Payment of \$45 per player will be made the day of the scheduled round at the host club. Payment options include cash, check, or credit card. Please inquire with the host site upon arranging your tee time.
