## About Cranberry Highlands

Owned and operated by Cranberry Township, Cranberry Highlands Golf Course was developed as a high quality, challenging yet enjoyable public golf course. The par 70 layout sits atop a gently rolling plateau in northwest Cranberry Township in Butler County, Pennsylvania. Cranberry Highlands was recently named Pennsylvania's #1 Municipal Golf Course by Golf Digest magazine.

Measuring 6,513 yards, the picturesque course was designed by the W.R. Love Golf Course Architecture firm of College Park Maryland. Primary designer, Bill Love, utilized the natural contours of the terrain and the changing wind conditions to create an unforgettable golf experience. He declared the course amazingly mature when it first opened on August 24, 2002. Construction on the course began in March of 2001 and features bent grass tees, greens and fairways.

Four sets of tees are offered to suit golfers of all skill levels and provide an exciting golf experience. It features ample contoured fairways, large undulating greens and over 90 sand bunkers. The two main water features, man-made lakes on the par three #3 and the par four #12, provide stunning views and challenging golf. The site is comprised of 310 acres and the golf course is situated on 186 acres of beautiful terrain which includes some spectacular views. The site includes several environmentally sensitive wooded areas which remain undisturbed. Cranberry Highlands was recently recognized as a Certified Audubon Cooperative Sanctuary.

The clubhouse includes a golf shop, grill room, banquet room, meeting rooms, men's and women's locker areas, administrative offices, outside patio area, and the Audubon Pavilion. Two putting greens near the first tee are accompanied by a driving range near the first hole. Golf instruction by our professional staff is available upon request.

The options are made possible by 80 state-of-the-art golf carts. Each cart is outfitted with a mobile golf information system, made by GPS Industries. In addition to enhancing the players' experience with information including shot distances and scorecards, and enough detail to suggest which clubs and approaches will work best, the on-board message system provides the opportunity to order food for pickup as they approach the clubhouse; and, to call for assistance, if needed.

**As a Golf Outing host, the cart screens offer a unique opportunity to recognize your event sponsors and maximize their exposure to every golfer.**

### TOURNAMENT ADVERTISING OPTIONS

**Option 1: Hole Sponsorship Package:** Hole sponsors gain increased exposure in two ways, on every cart. The carts feature a crisp, color, 10" screen, where their full screen ad or brief video appears as the cart approaches the tee. Then, a second logo-ad moves to the bottom right of the screen, and remains there until the cart moves on to the next hole.

- Hole Sponsor Package - \$250 (*your cost*)  
Example: Corporate logo (If a logo is not available in jpeg format, we can create a generic ad)
  - Full screen ad - 1024 x 600 jpeg
  - Corner screen - 314 x 141 jpeg

**Option 2: Live Leaderboard:** Throughout your event, **live scores will be televised** in the Grill Room and on the banquet room screens. Choose which sponsors to feature on the leaderboard; plus, list the skill prize winners.

- Leaderboard Package - \$200 (*your cost*)  
Example: Corporate logo (If a logo is not available in jpeg format, we can create a generic ad)
  - Screen ad - 1024 x 600 jpeg
